your credit card or debit card information. You can  
do a one-time donation or setup weekly dona-  
tions!! You will receive a receipt and statement  
immediately after donating. The software takes a  
very small percentage of the donation, but its  
worth it for the ease of the system. You can do-  
nate using your computer / smartphone at: [ps://

## **Saint Anna, Mother of the Virgin Mary**

July 25 is the feast of the Dormition of Saint Anne. We commemorate her holy death on this day.

Tradition refers to St. Anne as being the mother of Virgin Mary. Although not written of in the Bible, the name Anne (grace) is given credence in the non-biblical gospel of James: this is a mix of Scripture and some rather fantastic legends.

Saint Ann was said to have been born in Bethlehem and married Joachim from Nazareth in Galilee. Joachim was a shepherd given the task of supplying the temple of Jerusalem with sheep for sacrifices.

After twenty years of marriage Anne and Joachim had no children. This is a tragedy in Judaism: it meant that there would be no children to pray for their souls to be remembered, and they did not have a son who could have been the Messiah. Once, when Joachim overheard ridicule because of their childless state, he is said to have gone into the desert to plead with God to give them a child while Ann prayed at home. After a time of fasting, angels appeared to both of them, saying they would be given a child they were to name Mary, who would be the mother of the Messiah. Icons show them embracing each other with the joyful news.

The icon of Saint Ann usually shows her holding the Virgin Mary in her arms. Mary holds flowers, a sign of her purity and sinlessness. Sometimes Ann is shown with Mary and the Christ Child.

The Shrine of Saint Anne de Beaupre, in Canada, has two major relics, one from the wrist of Saint Anne, with skin and flesh still visible and fresh at the junction of wrist and thumb, and a part of the forearm, given by the basilica of St Paul Outside the Walls in Rome. Our parish has a tiny first-class relic of Saint Ann from that large relic. The anointing is done with the holy oil blessed in Canada.

## **July 27th: St Panteleimon by Fr Chris**

St Panteleimon (also called Pantaleon) is an enormously popular saint. In the West he is counted among the Fourteen Holy Helpers. In the East he is one of the Holy Unmercenary Healers, (physicians who did not charge for their services and were known for miraculous cures during their lives on earth). He was a martyr of Nicomedia in Bithynia during the Diocletian persecution of 303 AD.

St. Alphonsus Liguori wrote of the saint's conversion to Christianity: He studied medicine with such success, that the Emperor Maximillian appointed him his physician. One day as our saint was discoursing with a holy priest named Hermolaus, the latter, after praising the study of medicine, concluded thus: "But, my friend, of what use are all thy acquirements in this art, since thou art ignorant of the science of salvation?"

The legend of Panteleimon's martyrdom is filled with heroic suffering. But he was indeed a real martyr, as veneration of him in the local church is very old, and a shrine was built in his honor by the emperor Justinian as a result. His name means "mercy for everyone" or "all-compassionate." He is said to have been beheaded under an olive tree, an appropriate spot given the medicinal uses of olive oil in the ancient world. The name "Pamela" is the female version.

Vials of his blood are kept at Ravello in Italy, and in Madrid, Spain. The blood in each vial liquefies on his feast. This has failed in Madrid only twice: in 1914, right before World War I, and 1936, before the outbreak of the Spanish Civil War. With that track record, even non-churchgoing Spaniards check to see if the miracle occurs or not.

There is an icon of St. Panteleimon near the 7-day candle stand where you can light candles for his intercession for those sick in soul or body.
